

COCO PAVING ANNOUNCES NEW ACQUISITIONS IN WINDSOR AND DURHAM REGION

TORONTO, May 28, 2011 /CNW/ - Coco Paving Inc. is proud to announce the recent asset acquisitions of:

- Dunn Paving Group in Windsor, Ontario;
- Ron Robinson Limited in Durham Region; and
- Kovacs Sand and Gravel in Durham Region, Ontario.

As of March 11th, 2011, Coco Paving purchased Dunn Paving, a privately owned heavy civil construction firm with an asphalt plant and expertise in Recycled Cold-in-Place Paving. With this acquisition, Coco Paving strengthens its position to compete for provincial, municipal and private works, in a region where the company was originally founded by William and Nina Coco.

"The Dunn Paving transaction further strengthens our staffing complement and competitiveness, in our already vibrant business market," said Jenny Coco, CEO of Coco Paving. "And, today's acquisition of Ron Robinson and Kovacs solidifies Coco Paving's heavy construction presence throughout Ontario."

Ron Robinson Limited is a Durham Region based heavy construction contractor specializing in sewers and water mains, road construction and underground hydro works. Kovacs Sand and Gravel operates quarries supplying crushed stone, sand and gravel.

"Coco Paving Inc. is a vertically integrated operation that provides one stop servicing needs for project requirements ranging from provincial and municipal works to residential, commercial and industrial projects. The recent acquisitions complement our operations in infrastructure servicing and establish us as the premier full service heavy construction company in Ontario" said Rocky Coco, President of Coco Paving Inc.

About Coco Paving Inc.

Today, Coco Paving Inc. continues to be a family owned and operated business under the leadership of William and Nina Coco and their children Jenny and Rocky Coco. Coupled with the June 15th, 2009 acquisition of the Eastern Canada Lafarge asphalt and heavy construction division, Coco Paving continues to be the largest asphalt producer and road paving contractor in Ontario and a leader in the heavy road construction business with 33 asphalt plants located in Ontario and Quebec. The Coco family business has over 45 years of experience and is well established in the marketplace, maintaining a staffing compliment of over 1,700 employees.
